## **Risk Assessment Policy**

### **Lone Working**

The worker shall meet the student in a public place wherever practical. If this is not appropriate then the worker shall ensure that the organisation lone worker app is activated and the nominated persons are informed of the workers whereabouts at all times.

### **Travelling**

The worker will travel to the student location within the hours of 8am to 7pm. Travelling outside of these times should be avoided.

### **Mental wellbeing**

The worker will engage in supervision on a monthly basis with a suitably qualified professional.

### **Work environment/equipment**

The worker will have the necessary equipment to be able to perform his/her role and in the event of fire and or other emergency will be aware of the appropriate course of action.
